Haapsalu ..... 6 mai ..... 1938

Dear Sir,

I am a new member of the "A.P.S." Club where I found your esteemed address. Herewith I take the liberty to send you a small selection of stamps.

In the end of April on the occasion of the International Wrestling Matches miniature sheets of stamps of the highest value were issued. The stamps represent old Estonian legendary warriors and gods. The nominal value of one block is 11 Estonian crowns which is \$ 3.- according to the quotation of the day \$ 3.- Of those blocks were printed only 2000 copies, and the whole set was entirely sold in two days.

I am sending you 10 examples of the prettiest new blocks @ \$ 3.30 each, together \$ 33.- I am selling only for money and not for exchange. If you don't wish to buy the whole series, you may also buy 5, or 3, or even 1 block only, and the others I beg to return to me as soon as possible. The money for the blocks you have bought, I beg you to send it also at once.

As I believe that you may possess those blocks already, I have charged only 10 %. You yourself may sell those pretty and rare blocks with a profit of 50 - 100 % in the course of a few weeks already.

I am awaiting your reply during the next fortnight, but not later, and I hope that you will comply with it.

If you wish, I could supply you up to a hundred / 100 / blocks, the price remaining the same - \$ 3.30 each. I myself have paid \$ 3.- at the postoffice.

In the hope of entering into a transaction with you soon

I remain,
